Shoot. I forgot to tell you. I heard that both Troost and Turner would be coming last week. This is a discussion of PCB treatment technology that we have been planning for a while.

FYI – Were you aware of this? Does Upton's staff still sit in on all the meetings? When did we schedule one for Chicago?

Hi Eileen,
I don't know if anyone from Kalamazoo had informed you, but it is my intention to be at the meeting tomorrow in Chicago at 9:00 am. During the tour of the Allied Site, this meeting was mentioned and Senator Levin told me he'd like me to attend.

Best regards,

Paul
